Certified Course Merchant Provider fees

- Accredited ACAM CPD activities offered by Certified Course Merchant Providers (CCMP) that are listed in the ACAM CPD Home catalogue may incur a pay-per-use fee.
- The pricing of CPD activities is solely determined by the CCMP. CPD Home will always encourage CCMPs to offer a discount for ACAM members, but this decision lies solely with the provider.
- Upon logging in to ACAM CPD Home, the ACAM CPD Homes approved activity web tile in the catalogue and information page will reflect relevant pricing.
- Where a fee is payable, this will be clearly indicated on the catalogue CPD activity information page. Where a discount is applicable this will also be clearly indicated on the catalogue CPD activity information page.

Procedural Matters

Subscribers, members, and fellows who are directly affected and dissatisfied with a CPD Home decision where there are grounds on which to contest the decision, can make an application for the decision to be reconsidered, reviewed, or appealed. See our Reconsideration, Review and Appeals Policy.

The Procedural Matters Fee Schedule (inc GST) is as follows.

Fee Action	Reconsideration	Review	Appeal
Cost Incl. GST	\$0	\$440	\$440.00

Refunds

Subscription

- Subject to the Cooling Off period (see our Joining and Cancellation Policy) subscribers before signing up to CPD Home or paying their annual subscription renewal fee need to be aware that there are no refunds for a CPD Home subscription. Should a subscriber choose to move to another CPD home, any subscription fee paid after the cooling off period to ACAM CPD Home will be forfeited.
- However, ACAM CPD Home, for no additional charge, will prepare (the subscriber's) records saved to their subscriber portal for transfer to their alternate CPD Home.

CPD activities

- Once a paid CPD activity has commenced, there is no refund, regardless of whether the activity is completed or not.

Application for Review or Appeal

- Should an application not be progressed, any CPD fees paid will be refunded in full.
- Should an appeal be successful, the fee paid will be refunded in full.

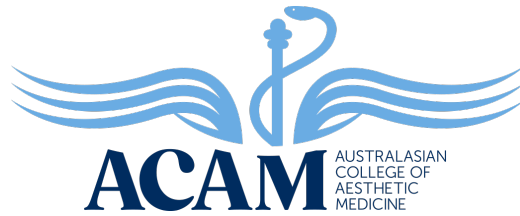

Financial Hardship

Should a subscriber be experiencing financial hardship, they can apply for recognition of financial hardship. The matter will be considered on a case-by-case basis. See *Financial Hardship Policy*.

Where granted, subscription payments may be split into six monthly instalments, or fees for procedural matters may be waived.

Fee review

ACAM CPD Home will review their fees annually and may increase them in line with market rates. Fees for the following CPD Year will be promoted on the website from 1 July the preceding year.

Action

- Subscriptions to ACAM CPD Home are payable (subject to ACAM CPD Home's 14-day cooling-off period) on sign up and at 1 January every year after that the subscriber remains with ACAM CPD Home.
- A subscriber experiencing financial hardship has **up to 30 days before their subscription is due** to apply for recognition of financial hardship using the online *Application for Recognition of Financial Hardship* form available from the ACAM CPD Home website.
- Subscribers, whether or not they have been granted recognition of financial hardship, who are in arrears at 60 days of any due date for payment, and who have not contacted ACAM CPD Home for an extension, risk being declared non-subscribers and having their record deleted as per our *Data Management Policy*.
- Where a fee for a procedural matter is refunded, ACAM CPD Home will contact the subscriber to arrange payment of the refund via electronic funds transfer.
